- Height: 14.1 inch
- Length: 4.7 inch
- Width: 4.1 inch
- Net weight: 2.337 lb

Technical specifications
- Mains power: 120 V, 60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 1
- Wattage bulb included: 5 W
- Maximum wattage replacement bulb: 5 W
- Light color: 2700K warm white
- Lamp lifetime up to: 20,000 hrs
- IP code: damp

Service
- Warranty: 3 year(s)

Packaging dimensions & weight
- Height: 14.2 inch
- Length: 5.3 inch
- Depth: 4.7 inch
- Weight: 3.075 lb

Miscellaneous
- Especially designed for: Living- & Bedroom, Kitchen
- Style: Contemporary
- Type: Wall light

Highlights

Extremely long operating life

A light source you can trust. Philips LED lights offer an extremely long-life of at least 20.000 hours (which equals 20 years on basis of an average use of 3 hours / day with an amount of at least of 13.000 on/off switching cycles). With the Philips LED lights you won't have to worry about maintenance or lamp replacement while having the perfect light ambiance in your home.

High Power LED
The LED module of this lamp is a uniquely developed solution by Philips combining 3 LEDs in a synthetic and aluminium housing. This technique enables an optimal light output and a 100% uniform light color.

Warm white light effect
Light up your home with warm white light effects thanks to the latest LED innovation. Philips introduces the latest generation of warm white light high power LEDs, reaching a color temperature of 2700 Kelvin. This innovation brings the Philips lighting fixtures to the next level, allowing you to combine elegance and ambience creation with light and energy efficiency.
